Exhibit at EcoPro 2018

- Eco-Airport Adventure of Learning with the 6 Environment Warriors on a Journey in Search of Eco-Measures at Haneda Airport -

Tokyo International Air Terminal Corporation and Japan Airport Terminal Co., Ltd. will have a booth at EcoPro 2018, an exhibition of the future of the environment and energy to be held at Tokyo Big Sight over three days from December 6 (Thu) through December 8 (Sat).

The booth will showcase the various global environment initiatives underway at Haneda Airport to reduce energy consumption and carbon dioxide emissions through the installation of solar panels and a co-generation system, water recycling and greening projects. All of these environmental activities will be featured at the Haneda Airport booth.

The booth will be a hands-on learning experience for adults and children alike using a quiz format and subjects will be explained in an easy-to-understand format by the "Haneda 6", the six eco-warriors, "Taiyo", "Hikari", "Mizu", "Netsu", "Midori" and "Bio". Participants will receive a prize if they can answer the panel quiz at the booth. Come see the exhibit and learn about our eco-initiatives at Haneda Airport.
