Japan Airport Terminal Co., Ltd.

Haneda Exhibit at Tourism Expo Japan 2017

- Virtual Reality Presentation Highlighting the Convenience of Haneda Airport and the Joy of Travel at One of the World's Largest Travel Extravaganza –

Tokyo International Air Terminal Corporation and Japan Airport Terminal Co., Ltd. in collaboration with Keihin Electric Express Railway Co., Ltd., Keihin Kyuko Bus Co., Ltd. and Tokyo Monorail Co., Ltd. will operate a display booth at Tourism Expo Japan 2017 to highlight the convenience of Haneda Airport, useful travel recommendations and the enjoyment of travel. Tourism Expo Japan 2017 will be held at Tokyo Big Sight over three days from September 22 (Fri) to 24 (Sun).

The exhibit this year will feature 360 degree virtual reality visual presentation of the joys of travel which the audience will view while lying in a horizontal position inside a dome-shaped theater. As the realistic images roll by, audiences will find themselves immersed in the Haneda Airport experience and the joy of travel. Bring your family and friends this autumn to lie back, relax and travel with the virtual images that will carry you subconsciously away from Haneda Airport to virtual destinations.

FANTASTIC HANEDA AIRPORT

The euphoria of travel begins with your arrival at the airport. Board the monorail, Keikyu train or Keikyu bus from downtown Tokyo to Haneda Airport and, before you know it, you are at your destination either in Japan or elsewhere around the world. That is the advantage of Haneda Airport. The largest air route network in Japan so close to downtown Tokyo. Haneda is not just about convenience and functionality, with so many entertaining facilities it adds to the euphoria of travel. Don't miss the Haneda Airport stand brimming with displays of Haneda Airport and the joys of travel. So much to see, it will make you look twice.
